New Business:

6. Deputy Yates Report – nothing to report. All is good in Deweyville.

7. Flagpole – Mayor suggests leaving it as is. Brent Craven feels that it is offensive as a veteran for anything to be above the flag; would like the current flagpole to remain the same as it has history ties to the old school instead of erecting a new flagpole. Would like to see a separate pole for the radio tower.
8. Cemetery – Read proposal written by Council Member Kliger. Changes need to be made. Mayor does not want the town to be in the position of buying and reselling plots. Families should be able to use plots purchased as they see fit. Would like to see the deed information rewritten to say it is an easement to a plot of land not a land purchase. Town lawyer advises that old cemetery plots may be taken back after 60 years, if plots are not used or not cared for or the owner has not given any notice or claim to given plot. Still looking for a way to get cemetery records digitized.
9. Tree Lighting – Dec 2nd - Council Member Andersen will be in charge of decorating the tree. New lights will need to be purchased. Carolyn will purchase new LED lights. Mike Litchford will be providing scones and Carolyn Taylor will be in charge of the hot chocolate.
10. Outdoor Lighting - problem taken care of. Parking lot lights need new LED lights. Nate Spackman will take care of getting them replaced so they will light up the parking area.
11. Review Nuisance Ordinance – would like the council to read, review, and/or rewrite the nuisance ordinance (#2008-03) before January. Mayor would like description to include following P & Z Land Use Management Code. Needs to be simplified. Give input and improvements to Mayor.

Discussion Items:

Curt Whiteford reported on last P & Z Mtg - the Rindlisbacher properties are only about 60% of the way towards completion and a remodel approval was given to Andy Cobabe, owner of the old Holdaway home.

Council Member Reports:

12. Mayor Lesley Kendrick— updating the Price situation. Registered letters have been sent but not picked up. Next course of action would be to contact Judge Christensen. Neighbors may call OSHA to complain concerning safety issues.
13. Nathan Spackman—will re-key the 2 doors to conference room.
14. Eric Anderson— has fittings to turn sink on in fire dept part of building
15. Carolyn Taylor – nothing new to report
16. Joe Kliger- nothing to report

Council Member Joe Kliger made motion to adjourn tonight's meeting. Council

Member Eric Andersen seconded the motion. All approved.
