6. Deputy Yates Report – Statistical report provided comparing Jan 2020 s Jan 2021. More welfare checks, all else looks to be in compliance. Still unclear on who controls animal issues in town. Deputy states that usually in incorporated towns if they have no animal officer in place the complaints fall to the mayor. This is different from what the mayor was told earlier. He will provide mayor with some resources to better handle this issue.

8. ULCT Home Serve Program –home and water line repair solutions program at no cost to ULCT members. Residents could participate in this program, but it would have to be made known that the town would not endorse this type of program; maybe too many loopholes. Council decided to decline this offer.

9. Spring Clean Up – Box Elder County Fire Dept has purchased a massive chipper; and will be available to each community for cleanup. Chips could be used in playground area. Mayor Kendrick will visit other towns to see what this entails. Carolyn will add details to the town web page.

10. Curt Whiteford – P&Z Update – absent- Mayor filled in council about P & Z still working on the code book.

Council Member Reports:

11. Lesley Kendrick (Town) – has received packet from the county for proper procedure in raise taxes, more info coming. Town is also in need of a fill-in office person for Nancy or Laurie, as needed. Hours would be minuscule, but would also include some monthly to keep up on training. Will put an ad in paper.

12. Nate Spackman (Water) – has a question about a second pump being needed at cemetery and what would happen to current Bear River Canal water shares. Would they need to be changed?

13. Jared Doman – (Park) –has asked Bill Kerivan to help clean up the park and pump house; still planning on installing frisbee golf as weather permits; trash cans at park need to be better secured.
